### Certificate of Warranty

- Weatherproof Wraps does hereby warranty a temporary shrinkwrap installation for your roof for a period of 12 months. The 12 month guarantee includes repair of any failed or faulty shrinkwrap installation but does not extend to or imply liability for damage to building, components or contents due to failure or faulty shrinkwrap installation.
- Weatherproof Wraps agrees to repair any defects in the shrinkwrap installation that occurred under normally anticipated weather conditions. The shrinkwrap guarantee does not cover damage caused by conditions not normally anticipated natural occurrences such as tropical storm force winds or greater, hail, and lightning.
- Likewise, it does not cover damage caused by the homeowner, additional contractors, or any individual not employed by Weatherproof Wraps. Damage caused by these sources shall be the sole responsibility of the customer to remedy. Weatherproof Wraps is not responsible for any accidental damage to real or personal property when performing any and all work on the premises.
